

The Readiness Program WORKSHOP SERIES

"Identify and respond to symptoms with a trauma-informed lens"

"Learn strategies to enhance safety and minimize re-traumatisation"

Primary care's readiness to address domestic and family violence

Responding to Domestic and Family Violence with a Trauma-Informed Lens

1 December 2021

6:30-8:30pm AEDT

Virtual Classroom via Zoom

As part of The Readiness Program, Blue Knot Foundation is bringing you the latest in trauma-informed awareness and support for general practitioners and primary care providers to recognise complex trauma and its possible health presentations.

Free for those working in a primary care setting.
